About OTSAK

OTSAK Pvt. Ltd. is a globally focused Indian copper drinkware company and EEPC India verified exporter committed to purity, precision, and sustainable living. Strategically located in New Delhi, India, OTSAK manufactures and exports premium copper bottles, hammered mugs, glasses, jugs, meenakari bottles, engraved gift sets, and customized private label copper drinkware for international markets.

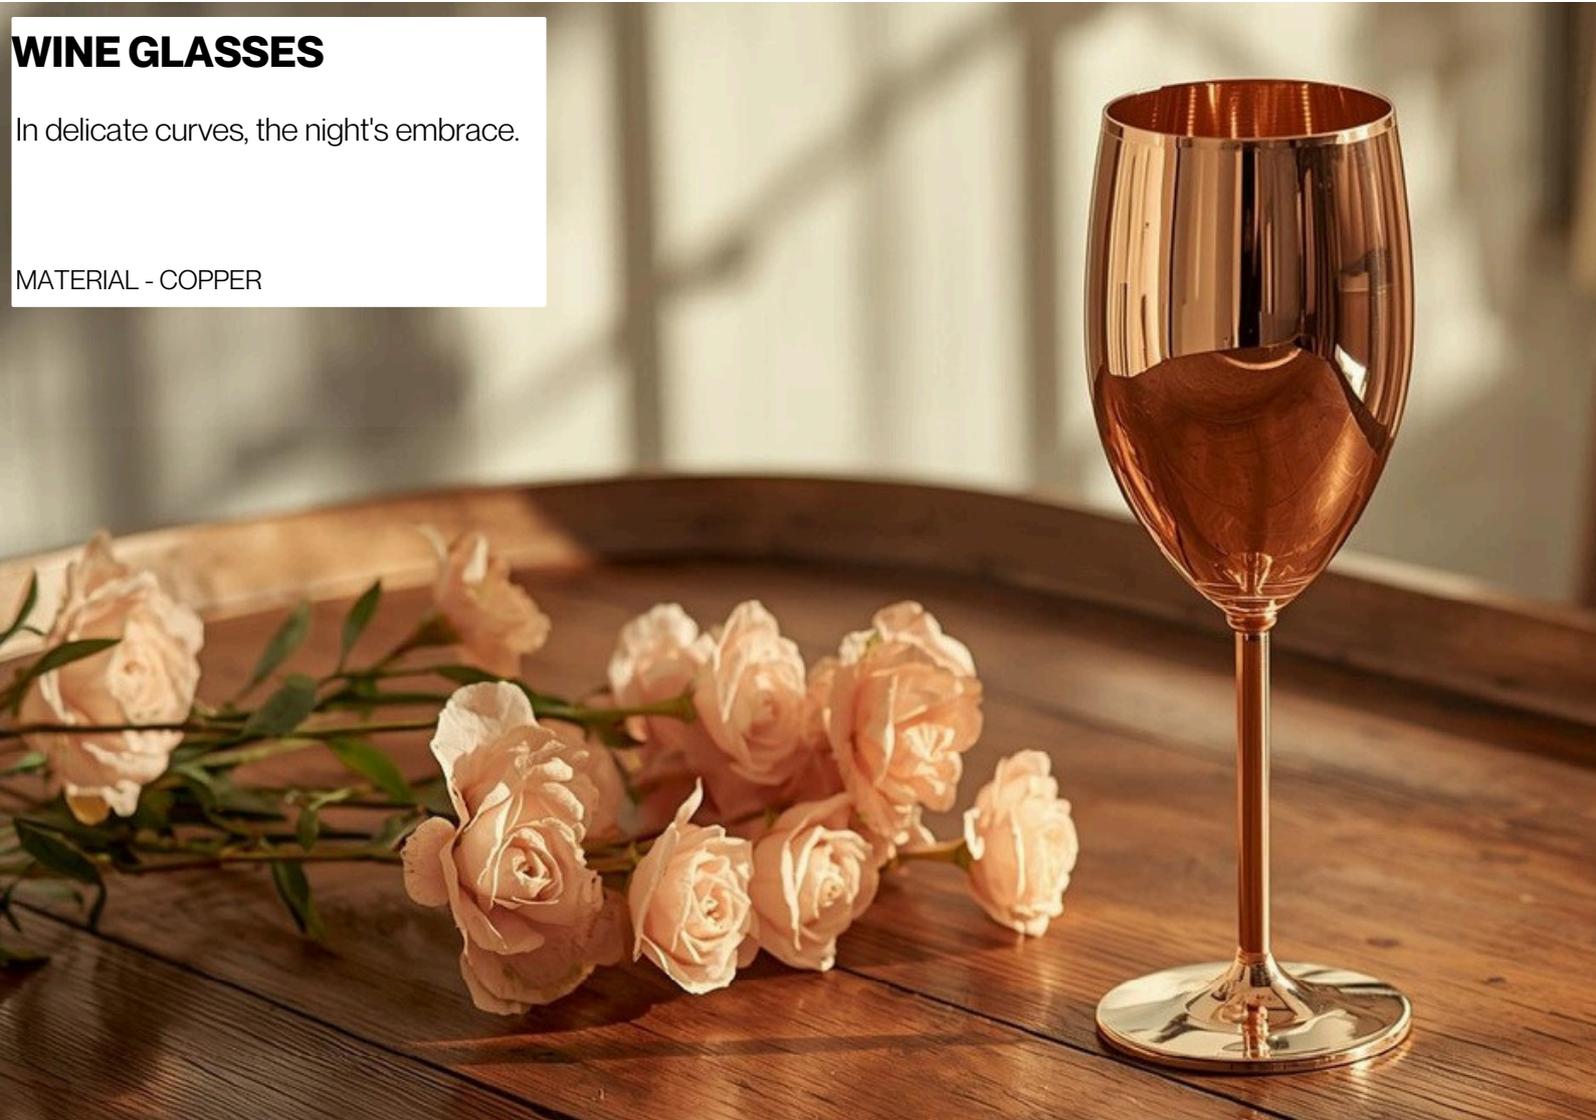

Operating under ISO 9001:2015 quality management systems, our products are SGS lab tested for 99.94% pure copper to ensure authenticity, safety, and export compliance. With a monthly production capacity of 40,000 pieces, OTSAK supports bulk manufacturing, OEM solutions, and private label partnerships for distributors, hospitality groups, corporate gifting companies, and wellness brands across the USA, Europe, and the Middle East.

Focused on consistent quality, export-ready packaging, and reliable global shipping, OTSAK stands as a trusted worldwide supplier of premium copper drinkware.
